Dear Parents/Guardians:

Welcome to the YMCA Y Club Program! Whether you are returning for another year or signing up for the first time, you and your child will find fun and exciting opportunities offered in this year's before and after school program.

The YMCA has been providing child care opportunities for over 100 years and draws upon that experience to run a quality program that provides a safe and supportive environment. We promise to offer a great experience in an atmosphere that will help your child develop in spirit, mind, and body.

Many exciting activities and adventures await your children this year. We are confident that both you and your children will be very pleased with a YMCA experience. The goal for each day is to allow youth to expand a child's physical, social, intellectual and emotional development.

Y Clubs - Before and After School Enrichment programs operate hours that vary by branch. Please check the website for programs details.

On behalf of the YMCA staff, thank you for choosing the Gateway Region YMCA. We look forward to a great year with your children!

Sincerely,

Gateway Region YMCA STAFF

Our Areas of Focus

Ys offer the programs we do for a reason. Young people need safe and enriching environments to try new things, develop skills, meet new people and show what they're capable of doing. Achieving and maintaining health in spirit, mind and body makes for a rich life. Giving back to neighbors and those in need is our responsibility as neighbors, colleagues and citizens.

Youth Development: Nurturing the potential of every child and teen

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

Healthy Living: Improving the nation's health and well-being

In communities across the nation, the Y is a leading voice on health and well-being. With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, millions of youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

Social Responsibility: Giving back and providing support to our neighbors

The Y has been listening and responding to our communities' most critical social needs for more than 175 years. Whether developing skills or emotional well-being through education and training, welcoming and connecting diverse demographic populations through global services, or preventing chronic disease and building healthier communities through collaborations with policymakers, the Y fosters the care and respect all people need, and deserve. Through the Y, 500,000 volunteers and thousands of donors, leaders and partners across the country are empowering millions of people in the U.S. and around the world to be healthy, confident, connected and secure.

PROGRAM/ACTIVITIES

BEFORE AND AFTER SCHOOL FOUNDATION – A TIME TO EXPLORE

YMCA before and after school programs foster each child's cognitive, social-emotional and physical development through fun, exciting opportunities and experiences which focus on achievement, relationships, and belonging. The planning of each activity is offered in a physically and emotionally safe environment consistent with evidence-based principles of youth development: each child is encouraged to develop at his or her own unique rate by encouraging skill development and frequent leadership opportunities. The planning allows for children to have fun and develop necessary skills to succeed in their future. Families are seen as partners in their child's development and are provided opportunities to strengthen the family unit and give the family and the YMCA the opportunity to work, play, learn and thrive together. Finally, the YMCA collaborates with other organizations that are committed to serving the needs of all children and families. It's through these collaborations and a strong youth development focus and assessment that the Y delivers consistent quality programs.

If arrangements are made over the phone, family password must be provided.
- There will be a late pick-up fee of \$15.00 for the first 5 minutes and \$1.00 per minute thereafter.
- Late fees must be paid within one day of the late pick-up for a child to be readmitted to the program. Payments may be by credit card, check, money order or cashier's check made payable to the YMCA.
- Frequent late-pick ups may lead to termination of your child(s) enrollment in the program. If you are late more than three times your child may be dismissed from the program.

- The person signing your child out of the program must be 16 years of age and show a valid ID.
- A child will only be released to persons authorized by the custodial parent/s on the child's enrollment form. LEGAL ISSUES

CUSTODY/PARENTING PLANS

- Legal documents (copies: court order, divorce decree, parenting plan etc.) must be on file and current at the program regarding divorce/custody arrangements.
- In the event of a parent's divorce or separation, we are required to release the child to either parent unless a court order states otherwise.
- Divorced parents should submit a copy of the court order, divorce decree or other legal documentation to prevent an unauthorized pick up by the non-custodial parent. Documentation must be kept in the child's file.
- Any deviation of the child custody agreement will require written formal agreement with notarized signed approval by both parties acknowledging "In Direct Contradiction to the Stated Court Order" prior to allowing pick up.
- In the absence of a court order on file with the childcare program, both parents will be afforded equal access to their child as stipulated by law. The Y program cannot, without a court order, limit the access of one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, the Y suggests that the parent keep the child with them until a court order is issued.
- A legal restraining order must be on file with the childcare program if an individual is not allowed to pick up the child.
- Custodial parents may visit the site. Your visit will need to be limited to 5-10 minutes so as to not disrupt the child's participation in the program and to ensure the safety of all of the children. Exceptions are planned, special events and family functions.

SUBPOENAS/REQUEST FOR INFORMATION

- I understand that if the YMCA is required to respond (whether to answer, modify, clarify or quash) to a third party subpoena (whether for testimony, documents, appearance, or any combination thereof) or other compulsory legal order or any other process as the result of any legal proceeding of which my child is a party or participant, I will be responsible for both promptly reimbursing the YMCA for its reasonable attorney fees, and the cost of the YMCA's employees and contractor's time and materials (including, but not limited to copying and document redaction costs) spent responding at the YMCAs then current hourly rates. I further understand that failure to promptly reimburse the YMCA will result in suspension or termination of childcare services under this YMCA Care Program Enrollment Agreement and could result in the YMCA pursuing a legal action against me for collection, and that I will be responsible for paying all costs, including reasonable attorney fees, incurred by the YMCA for filing of such action.
- The YMCA reserves the right to require an official court ordered subpoena for access or release of records. At least a minimum of 10 business days to process the request must be given.
- In the case of a legal court order or document the YMCA will follow and enforce the court order stated as written. NO EXCEPTIONS.
- Y staff will not be a mediator in the case of a divorce or custody situation, families may be asked to leave the program until issues can be resolved.

IMPORTANT INFORMATION

BEHAVIOR/DISCIPLINE

Our program's philosophy is based on respect for the child's self-esteem, setting reasonable limits, and creating an environment that encourages self-discipline, problem solving, and conflict resolution. We see the opportunity to teach values of getting along with others, solving problems in a positive way and learning self-control as the key to a successful program. The staff is dedicated to working together with the children and parents to resolve any concerns that may arise.

Discipline methods

- Setting an appropriate environment for programming.
- Having a well-planned program.
- Redirecting behavior by giving choices.
- Encouraging group consensus on problem solving.

BEHAVIOR MANAGEMENT POLICY

It is the goal of the Gateway Region YMCA to guide children in becoming caring, honest, responsible, and cooperative participants in our program. The YMCA uses only positive behavior management techniques to increase participant's self-esteem by helping them to become responsible for their own actions. It is important for participants to grow to respect themselves as well as the rights and feelings of others.

When a conflict arises concerning the rights of other people and/or property, our goal is to work with each participant individually to solve the problem through effective communication and logical consequences. Other behavior management techniques, which include redirecting behavior, removal from a particular activity, and parent consultation, will be used in situations where conflicts continue.

Depending on the severity and frequency of incidents, such as, fighting, inappropriate language, destruction of property, lack of regard for rules, or the possession of inappropriate toys (i.e. play guns, swords, or other weapons), a participant may be suspended or expelled from the program. The following

procedures will (unless severity or repetition of incident requires other action) be followed concerning suspension and/or expulsion:

1. The participant will be suspended immediately and parents notified.
2. The program director will be notified and review the situation.
3. A parent conference will be scheduled with Y director and staff, parents or guardian and any other YMCA designated resource person.
4. At the parent conference a written disciplinary action plan will be developed. The participant will not re-enter the program until parents and staff have agreed upon the disciplinary action plan.

Any participant who is determined at the sole discretion of the YMCA to have intentionally harmed or attempted to harm another participant, staff member or themselves will be immediately suspended from the program and subject to termination from all YMCA programs after review of the incident by the Program Director and Executive Director or designated YMCA supervisor.

Participants can be removed from the program based upon inappropriate behavior of parent or guardian.

A parent/guardian will be notified immediately when a child displays any of the above issues. If the parent/guardian cannot be reached, the emergency party designated by the parent/guardian on the enrollment form will be contacted. The child will be isolated from the other children. Child must be picked up within one hour of call. The late pickup policy will apply at the end of the one hour grace period. Failure to have your child picked up per guidelines will result in immediate dismissal from the program. Sign-out is required.

CODE OF CONDUCT-ADULT

The Y requires adults of enrolled children to behave in a manner consistent with courtesy, respect and Y values. The Y goal is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the staff, but the responsibility of each and every adult who enters the program. Adults are required to behave in a manner that fosters this ideal environment. Adults who violate the Code of Conduct may be dismissed from the program.

- Swearing/cursing: No adult is permitted to curse or use other inappropriate language in a YMCA program, whether in the presence of children or not. Such language is considered offensive and will not be tolerated.
- Threatening of staff, children, or other adults: Threats of any kind will not be tolerated.
- Other children: Adults are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no adult may physically punish another adult's child. If an adult should witness another adult's child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the adult to direct their concern to the staff.
- Confidentially: It is inappropriate for one adult to seek out another adult to discuss their child's inappropriate behavior. All behavior concerns should be brought to the staff's attention. The staff will address the issue with the other adult. Although you may be curious about the outcome of such a discussion, staff is strictly prohibited from discussing anything about another child with you. All children enrolled in Y programs have privacy rights and are further protected by our confidentiality policy.
- Violations of safety policy: Adults are required to follow all safety policies at all times. These procedures are designed not as mere inconveniences, but to protect the welfare and best interest of the children and staff.

Communication is an important component to providing quality care for your child. We have the following items in place to ensure good communication between you and the Y staff.

GRIEVANCE PROCESS:

If a participant or family member has a concern or is removed from a Y Club Program the parent/guardian will be given the right to express those concerns or in the case of a removal appeal that decision. INAPPROPRIATE SEXUAL BEHAVIOR

Inappropriate sexual behavior of any child toward any other child or staff member is strictly prohibited in YMCA Programs. A child is any person enrolled in any YMCA program. Inappropriate sexual behavior is defined as sexual advances, requests for sexual favors, or other physical conduct of a sexual nature made by any child toward another child.

Children who believe they have been victims of, or have witnessed inappropriate sexual behavior, must report the incident to any Y staff immediately. Parents of a child who believe their child has been a victim of inappropriate sexual behavior or witnessed such an incident must also report the incident to any Y staff immediately. The YMCA staff member who receives the complaint shall promptly inform the person who is designated to address such reports at the site. Each incident will be thoroughly investigated and reported in accordance with the YMCA Child Abuse Policy and with state laws.

RESPONDING TO ALLEGATION OF ABUSE & CHILD ABUSE POLICIES

The YMCA provides our youth and teens with the highest quality services available. We are committed to creating an environment for youth and teens that is safe, nurturing, empowering, and that promotes growth and success.

All reports of suspicious or inappropriate behavior with youth or teens or allegations of abuse will be taken seriously and investigated.

No form of abuse will be tolerated and any staff, volunteer, member, guest, teen or youth who is accused of abuse of a youth or teen will be immediately removed from the facility and prohibited from all YMCA property and activities for the duration of an investigation. If the investigation establishes that abuse is believed to have occurred, the staff member's employment or the volunteer's ability to volunteer will be

immediately terminated. For all individuals found to have abused a teen or youth, they will be permanently prohibited from all YMCA property and activities.

The YMCA will both report to and fully cooperate with law enforcement and the Missouri Department of Social Services or Illinois Department of Children & Family Services regarding allegations of abuse which are made and require investigation.

How the YMCA responds to suspicious or inappropriate interactions, policy violations, and incidents or allegations of abuse can dramatically affect the harm to the individuals involved and the damage to the organization. Once a staff member, volunteer, youth, teen or parent has expressed a concern or made an allegation about the treatment of a youth or teen, swift and determined action must be taken to reduce any subsequent risk to the youth, teen, the accused staff member or volunteer, and to the organization.

Because the YMCA is dedicated to maintaining zero tolerance for abuse, it is imperative that every staff member and volunteer actively participates in the protection of youth and teens. In the event that staff or volunteers observe any suspicious or inappropriate behaviors and/or policy violations on the part of other staff or volunteers, it is their personal responsibility to immediately report their observations.

As professionals in contact with young children and their families, we at the Gateway Region YMCA are required by law to help the DFS become aware of children who may be abused or neglected. According to the law, public or private school teachers, educational administrators, guidance or family counselors; as well as day care/childcare workers, are mandated reporters. Thus, it is policy of the Gateway Region YMCA to report any suspected cases of child abuse and/or neglect to DFS immediately by telephone or by online submission.

INCLUSION OBSERVATION PROCEDURES

The Gateway Region YMCA is committed to supporting the successful participation of the children in our programs by providing activities to help them grow from their experiences. There may be situations in which participants exhibit difficulties or behaviors that prohibit them from achieving this experience. As with all participants, the YMCA Behavior Management Plan will be followed to ensure that the safety of the children or staff in the program are not compromised. The Gateway Region YMCA is proud to have a dedicated Association Department of Inclusion Services that will help provide families and Y staff teams with some of the tools and processes to assist in rectifying the situation. Observations of our programs are conducted on a regular basis. Should a participant display challenges within the program, the director of inclusion services or the Children's Services coordinator will conduct an observation of the participant, offer feedback and provide follow up as needed. Observation process under separate cover; see your YMCA Director for more information.
