Christ is risen—Alleluia! The Easter Season invites us into continued celebration of the Resurrection and the beautiful promise of new life. It's a time to notice the signs of renewal all around us—budding trees, brighter days, and the joy in our hearts as we walk with the Risen Lord.

As we look ahead, our parish will soon rejoice with families celebrating First Communion and Confirmation. These moments of grace remind us how the Holy Spirit continues to renew our community and deepen our faith. We will be celebrating First Communion this Saturday and Sunday, as well as the following weekend at several Sunday liturgies. Perhaps you will be in attendance at one of these celebrations. What a wonderful experience to witness and share with our second graders - receiving the Eucharist with our parish Community.

How are you celebrating this sacred season of rebirth and renewal with your family? Maybe a prayer walk outdoors, a gratitude list, or a special family meal shared in Easter joy. Let's continue to live the "Alleluia" together!

SCL Auction 2026

A special thank you to Moira Zwilling and Julie Sullivan for chairing the event and ensuring its great success. We appreciate your dedication to SCL and we congratulate you on a job well done!

Dear SCL Community,

Thank you to everyone who participated in and supported our recent auction. We are thrilled to share that, thanks to your generosity, we raised a gross total of **\$400,000** in support of our school!

This incredible achievement would not have been possible without the contributions of our donors, sponsors, volunteers, and all who attended or bid. Your support directly impacts our students, faculty, and programs, helping us continue to provide an exceptional educational experience.

If you were unable to attend or would still like to contribute, there are a few ways to do so:

- Make a direct donation through our online giving page: bidpal.net/togetherwegrow
- Purchase class and adult sign-up parties: bidpal.net/togetherwegrow
- Support future events and initiatives throughout the year

Every gift—no matter the size—makes a meaningful difference.

Thank you again for being such an important part of our community and for your continued support.

With gratitude,
Moira Zwilling and Julie Sullivan

SIMPLIFY SUMMER: DO LESS FOR YOUR KIDS

What if summer felt easier...for everyone? Join Let Grow's upcoming webinar to learn how to get kids off screens and into real-world adventures, all while building independence and taking the pressure off you to plan, manage, and entertain.

FREE WEBINAR

**April 22, 2026
7pm EST**

What if summer meant less screen time, less pressure, and less of you having to plan every moment?

What if it could also mean more independence, more confidence, and more real-world adventure for your kids?

Join Let Grow for an encouraging conversation about how to make summer simpler, more relaxed, and more meaningful for the whole family.

In this upcoming webinar, we'll explore how giving kids more opportunities for independence can help them get off screens, build life skills, and have the kind of summer they actually need, while taking some of the pressure off you to manage, entertain, and organize it all.
