## \$\$\$\$ FACTS Financial Update \$\$\$

- We are transitioning to a new platform within FACTS that will allow for a smoother and more efficient enrollment process. This updated system will enable families to complete enrollment in one step, without the back-and-forth communication with the office that has sometimes resulted in incomplete enrollments in the past.
- With this new format, tuition dollar amounts will not be displayed at the time of enrollment as they have been previously. Charges will appear once payment plans are finalized. Since enrollment is completed in April and tuition payments do not begin until July, there will be ample time to review and make adjustments to your payment plan once charges are visible.
- Additionally, SCL will now be using Electronic Rollover for returning students. In the past, families were required to re-enter their bank account or credit card information and select a payment plan each year. With Electronic Rollover, your existing payment plan and payment method will automatically carry over from year to year, eliminating the need for repeated setup. If you need to make any changes to your payment plan, you may still do so by contacting Penny Weiss in the parish office.
- **IMPORTANT: If your tuition is paid directly to SCL using a MOST 529 Plan account, a grandparent or parent check, or cash, please send an email to Penny Weiss for notification and prevention of auto payments occurring. THIS OPTION DOES NOT ROLLOVER.**
- If you have questions or concerns regarding Enrollment, please contact Suzie Koch. For questions or concerns regarding Financial information, please contact Penny Weiss.

# Virtue for February: Cheerfulness

**Definition:** Looking on the bright side

**Mass:** Jesus' sacrifice shows how much he loves us, which should fill us with joy.

**School:** Bringing a great attitude helps the day go more smoothly. Try to cheer up those that are sad or struggling.

**Home:** Smile and enjoy each family member. Think of ways to bring joy to others.

## Virtue Language:

What are some ways I can work this virtue into my language?

- "I like how (Name) is showing cheerfulness by..."
- "When I think of how much God loves me, and has blessed me, I feel more cheerful!"
- "Even though this situation is difficult, I choose to be cheerful!"

**Remember:** Cheerfulness strengthens the heart and helps us grow in temperance.

## Showing Cheerfulness at Mass:

1. **Spend the quiet time before Mass speaking to God in your heart.** Let God's love fill your heart and bring a smile to your face.
2. **Listen to God speak to you in the readings.** Listen how God shows and speaks to His love for His people. Let that love bring you joy!
3. **Say or sing the responses joyfully.** Share that joy that God puts in your heart with others by singing and responding with joy.
4. **When distracted, remember why you are there: to celebrate Christ.** If you are distracted by something joyful, then remember who gave us the gift of joy and give it back to Him.
5. **Receive the Eucharist with Cheer because we have a God who loves us so much he waits for us in the Eucharist.** Bow fully at the waist. Hold your hands flat like a paten, chest high, one supporting the other. Say "Amen" clearly, and receive Jesus in the Eucharist with love.

## Conversation Starters & Journaling Prompts

In what ways was the saint from this month's reading an example of cheerfulness?

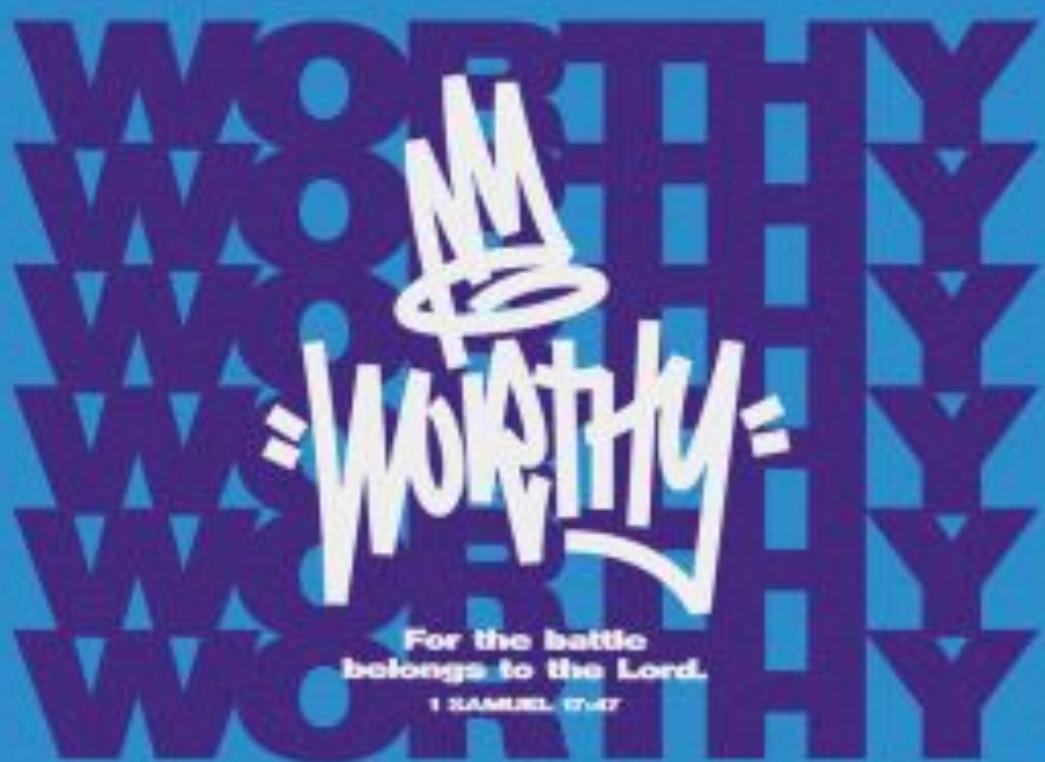

In what ways can I grow in cheerfulness?

How have I grown in cheerfulness lately?

How does it help to be cheerful?
